

Dear Business Owner,

The Seiling Chamber of Commerce members love our town and want to see it thrive. Our goal is to foster positive economic growth in our community for the continued success of all our local businesses. From hands on activities to technology, we search for new and creative ways to enhance the quality of economic development for our town and surrounding communities. Please visit our website at *seilingchamber.com* to see what we offer.

This website has become a resourceful tool for residents, employers from the multiple industries who have employees working in the area, as well as visitors passing through our community looking for specific services. That's where being a member is beneficial. Your company is the first business they are referred to. We match their needs to existing members' specialties. Also, being a member allows you to have a voice in the progress of our community. Membership has its advantages, and the list below has a description of each of our membership options.

Gold Level Member ~\$100.00 Dues

- Business info and two photos on your individual page.
- If you have a website, we will link directly to your web page.
- Business info listed in directory on Website.
- Access to events and chamber projects.

Silver Level Member ~\$60.00 Dues

- Business info listed in directory on Website.
- Access to events and chamber projects.

Bronze Level Member ~\$30.00 Dues (Non-Business Owners)

- Name listed on website Member Page.
- Access to events and chamber projects.

Membership dues ensure the continuation of many of our community's activities such as the Community Hot Dog feed during Rodeo weekend, Bingo Bonanza at the annual Fall Harvest Carnival, and the Lighted Christmas Parade held in December. In addition, your dues aid in providing financial contributions to other local organizations such as the After Prom Committee, Seiling Homemakers, Crossroads For Progress, the Miss Seiling Pageant, and scholarships awarded to Seiling High School Seniors.

Last year you were missed! We hope you can find a membership to meet your needs. Please make sure you receive the benefits your company deserves.

Our vision is to live in a vibrant and prosperous community, experiencing growth in citizens and visitors, business starts and employment, property values and business revenue. We appreciate your positive impact and support in this endeavor. And remember, you are welcome to join us for lunch at our meetings the 1<sup>st</sup> Thursday of the Month at 12pm in the Senior Citizens Center.

Sincerely,

Robert Young, President    Charlotte Pittman, Vice-President    Amy Gore, Secretary/Treasurer
